

# RUN

Saturday October 1, 2011 7:00 A.M.

Ha Penny Beach—St. Croix

The Annual CoastWeeks

# Annual Beach Relay

Coastweeks is a one-week clean-up event that gets stretched to six weeks in the Virgin Islands. Picking up trash and clearing debris is just one part of the Coastweeks initiative, however. All waste collected is inventoried, and at the end of the activities, the number of people volunteering, the total miles of coastline cleared and the physical amount of garbage is tallied and submitted to the Ocean Conservancy.
