THE DENMARK/VIRGIN ISLANDS TRANSFER

# MARATHON

.. ST. THOMAS | ST. JOHN | ST. CROIX

<http://virginislandspace.org/transfermarathon.html>

St. Croix was the setting for the third leg of the Denmark/Virgin Islands Transfer Marathon and it made for historic outcome.

With the 5am start of the 42 kilometer (26.2 mile) marathon at the steps of Government House which many years ago was the seat of Virgin Islands government on the street where founding father Alexander Hamilton found himself exposed to multiple trade schemes and currencies which perhaps laid the foundation for the “American” financial system of today.

With a prelude of a few thousand meters in town the runners led by Billy Bohlke of St. Croix a V.I. national track and field, cross-country and road running team member for many years, took the pace out early and fast. He had at least 200 meters ahead two time Olympian Calvin Dallas of St. Thomas as they made the turn at the Steeple Building and headed for north and west some 22 kilometer (13 plus miles) through Salt River Bay and Ecological Preserve and Columbus Landing Site of the National Park Service to Carambola. The scenic route on a clear day allows the runners to see St. Thomas, St. John and Tortola to the north.

Bohlke led the race to close to 25 kilometers until the hill coming out of estate Rust Op Twist. “when we made the turn-around at a little beyond half-way, I sensed that Bohlke was feeling it...then I decided to see if I could catch in the hills” said Dallas. That he did as he put the view to his back and one of Buck Island in front and headed for Columbus Landing and the natural preserve of the National Park Service and the last real climb in the race at five miles to go and up Morning Star Hill. He cruised down the streets of Christiansted National Historic Site past Government House to the park with the Scale House, the Customs House and Fort Christiansvern a welcome site to the spot where the transfer of the Virgin Islands to the United States of America took place 100 years ago and the spot where the first marathon ever run in the Virgin Island finished in 1978. His time was 3:18.32; Bohlke who had much praise for the victor, the 65 year old Dallas, the two-time Olympic marathoner, finished second in 3:34.40; Thor Jensen of Denmark was third in 3:42.49; Martin Thomsen of Denmark was fourth in 3:51.33 and V.I. ultra-distance champion Mike Klein was fifth in 4:05.14.

Jessica Carter, running her first St. Croix marathon and more than twenty in total, was the female winner with a time of 4:01.30 which placed her fifth overall! Karin Erikson of Denmark was second in 4:15.52; Savanah Logan of St. Croix running her first marathon was third in 4:19.54; Kristen Nielsen of Denmark was fourth in 4:28.29 and Anne Jacobsen of Denmark was fifth in 4:41.10.

## HALF-MARATHON

V.I. Half-Marathon Champion, Juan Robles right off his experiment with triathlon last week, put in a little work in the 21 kilometer (13.1 Mile) event which also took the runners half-way on the marathon route through the NPS parks. He coasted to the common finish line in Christiansted basically uncontested with a time of 1:23.15; Jens Sondergarrd of Denmark was a ways back for second in 1:39.21; Paul Evora of St. Croix was third in 1:42.58; Jay Gleason of St. Croix was fourth in 1:56.57 and Lars Vilhelmsen of Denmark was fifth in 2:09.04.

Draft March 13, 2017

THE DENMARK/VIRGIN ISLANDS TRANSFER

# MARATHON

ST. THOMAS | ST. JOHN | ST. CROIX

<http://virginislandspace.org/transfermarathon.html>

Kat Brownsdon formerly of the BVI was the female winner and fourth overall in 1:44.00; Allison Januszewicz of St. Croix was second in 1:49.25; Anne Sondergarrd of Denmark was third in 1:51.37;

former V.I. Marathon champion Heidi Snow of St. Croix was fourth in 1:54.15 and Megan Lambert of St. Croix was fifth in 1:54.15.

## 10 KILOMETERS

The shortest race of the series the 10 Kilometer (6.2 mile) event was not without its historic gleaming as the course took the runners t on the same route as the other two races, its uniqueness would have as its turn-around point the St. Croix Avis, the V.I. oldest newspaper which had its beginning in Denmark. And for the one race in the three with won overall by a woman...Amy Roberts with a time of 46:21; former V.I. marathon and ultra champ, Bridget Klein, while pushing her newborn son in a three wheeler was second in 52:58; Emma Bourgia was third in 53:24; Taylor Ward of St. Croix was fourth in 54:32 and Ro Holdersen of Denmark was fifth in 54:36.

Crucian with historic family roots in St. Croix, Randall Nielsen was happy with his effort as he led the men with a time 47:26; Joel Shouy was second 48:46; Bob Halk of St. Croix was third in 48:49; Michael Sorensen of Denmark was fourth in 55:52 and Ned Jacobs was fifth in 1:10.42.

Please scroll down and find below: mixed (male/female) and complete St. Croix results...
