Annual cross-country returned to its home the University of the Virgin Islands Albert Sheen St. Croix Campus on an ideal Wednesday afternoon. Weather conditions were as good as they could get as nearly 200 runners showed up for the first race in the series. Officially known as the 4H/V.I.Pace Runners Cross-Country Series, the event has collaborated with the St. Croix Interscholastic Athletic Association to form its annual cross-country series.

The first race of the day was the elementary school girls. Akyra Joseph of Eulalie Rivera School led the way over the 1 mile course in 7 minutes 25 seconds; her teammate Amyah Eddy was second in 7:50 and Kiera Lambert of Good Hope Country Day School was a very close third in 7:52.

The second race saw some 70 elementary school boys toe the start line. Mason Lambert of GHCD nipped his teammate Kaedon Gleason at the tape for first place in 6:05; Gleason was second in 6:07 and teammate Joseph Freeman was third in 6:47.

The male and female junior varsity runners ran together to take advantage of the dwindling light. Mickey Dizon-Bauman would not be denied as he breezed through the 2 miles in 11:11; his teammate Brice Richards ran a strong 12:20 for second and teammate Makari Mathew was third in 12:32.

Rory Ramsdell GHCD led the JV females also through 2 miles for first place 16:54; her teammate Josie Calhoun was second in 17:04; Ashlyn Morel of John H. Woodson School was third in 18:36.
