*The 34<sup>th</sup> Annual Women Race Makes Statement In All Female Event...*

The running of the 34<sup>th</sup> Annual Women Race in Christiansted, St. Croix is a major fundraiser for the women and children advocacy and support charity The Women's Coalition of St. Croix. With the exception of the 30<sup>th</sup> annual event when males were provided the opportunity to enter, it has been an all female event. Each year the venue for the popular race switches between Frederiksted and Christiansted (except this year due to scheduling conflict at Fort Frederik). All age groups are invited to take part and special awards are presented to the top overall and age-group winners who are usually the top runners in the Virgin Islands.

Eleven year-old Michelle Smith of the St. Croix Track Club and Eulalie School defended her 2017 first place finish with a time of 11:57. In the early going the top runners in the V.I. led by Good Hope Country Day track and field coach and top V.I. marathoner Bridget Klein as the 200 plus official and unofficial all female runners/walkers had prolog past the Steeple Building in the Christiansted National Historic Site before heading for the Christiansted Bypass and turnaround; on Klein's heels were Mikaela Smith of the St. Croix Track and second place finisher in the Tennessee High School 800m championship then her little sister Michelle, Ruth Ann David and her Shiah David her daughter. Michelle overtook Klein and Mikaela with about .8 of mile to go to win. Mikaela Smith of St. Croix Track Club was a close second in 12:04 and Klien was third in 12.07. The Mary Mingus Trophy was awarded to Good Hope Country Day School for school with the most participants. The top team went to the St. Croix Track Club ahead of Good Hope Country Day by 30 seconds.
